SARAH HOME OFFICE

The popular Sarah Home Office collection includes two desk options along with file, shelving, and organizer options that work together to create a trim, functional workspace.
The Sarah desk, featuring a drawer-style keyboard tray, can be extended with a left or right side return. A separate desktop organizer adds storage space. A smaller secretary desk can be used alone or accompanied by a return. File storage is offered with a lateral or rolling cabinet; both are equipped with anti-tip locks and can function as a printer stand. Bookcases are available in three sizes and feature adjustable shelves.
All pieces are available in solid cherry hardwood* and are Made to Order in five finishes** with a variety of knob options. The finish is **GREENGUARD Certified** for low chemical emissions.

*The lateral file and bookcase case sides are laminated with select cherry veneer.
**Natural variations in solid wood and hand-applied finishes make each piece unique. Slight grain and finish irregularities as well as subtle differences in stain shades are signs that the furniture has been crafted from solid wood and are considered hallmarks of quality.
